

The Clearbrook-Gonvick Education Fund Advisory Committee met on Monday, November 6, 2006 and approved two grant requests. The Thorbeck Field Fund will provide \$3000 toward remodeling of the announcer's stand on the football field. The Playground Fund will provide \$6960.73 to help with purchase and installation of the pre-school playground.

The Clearbrook-Gonvick Education Fund is a component fund of the Northwest Minnesota Foundation. Alumni, community members and supporters of the Clearbrook-Gonvick School are encouraged to consider donations to the Education Fund. The donations are tax-deductible and can help to provide additional opportunities for students and teachers. A scholarship fund can also be established for Clearbrook-Gonvick students.
