

Our School has set up an account at SchoolMall.com. This is a website that includes over 200 of the top merchants to shop from. When you shop on-line and use SchoolMall.com, our school will receive a certain percentage of your purchase! Many of the percentages are very impressive!

The Elementary students are doing a postcard campaign to let friends and family know about SchoolMall.com. When they return their postcard booklet complete with names and addresses they receive a prize and the **school will receive \$2.25 just for sending in a completed postcard booklet.** The money that comes from SchoolMall.com will be used for field trips for Elementary students and special programs and assemblies for all students.

This is a great way to redirect money that is already being spent, back to our school!

Next time you go shopping on-line please go to **SchoolMall.com**, enter our school name or zip code and go shopping! A percentage of your purchase will be given to our school. It's that simple!

If you have questions please contact Teena Volker at 218-776-3112 Ext 110.
